

Technical Details

Steel Weights

SDH steel weights are cut to size and provide a competitive alternative to lead weights.

- Can be used in 90% of sliding sash windows
- 3-5 day delivery
- Cut to size
- Coated to inhibit rust
- Non-hazardous product

Please find weight ranges in square sizes below.

Chart shows standard stocked sizes. Other sizes can be ordered. Please allow 7-10 extra days as this is made to order.
