Coatings: Hardex Chrome, Hardex Bronze, Hardex Gold, Hardex Graphite, Hardex Pewter, Antique Black and Forged Black.

Packaging

Architectural Letterplate

Individually boxed with fixings and care instructions.

10 letterplates in an outer box.

Maintenance

For continued protection of the quality finish and appearance, Fab&Fix advise routine cleaning of all our external hardware. Moving parts should also be lightly lubricated at least twice a year. This procedure is particularly essential if products are used within a 25-mile radius of coastal areas or close proximity to building sites or large industrial areas, where more frequent cleaning may be required to prevent the accumulation of corrosive contaminants.
