CORNISH HERITAGE

COLLECTION

Cornish Heritage Window Handles and Stays have been crafted to give the style and feel of a traditional handle but manufactured using modern techniques. Zinc Cast for extra durability, these handles and stays are consistent in finish and dimensions.

Available in monkey tail and tear drop, the espag handle is lockable via a key.

The stay which can be used as a traditional stay (with pegs) or the dummy stay where friction hinges are used but will still allow a traditional look.
