Lever Operated Doors

If you're manufacturing timber front entrance doors for a property that requires traditionally forged style ironmongery and modern multi-point locking mechanisms, then we've got you covered, with these products from our Devoran range. What's great is you can match your handles with a letter plate and door knocker to complete a suited look.

Hardware options

- 1 x Door Handle (Straight, Monkey Tail or Curved) or Escutcheon/Pull
- 1 x Door Knocker (Bull Ring or Spire)
- 1 x Letterplate

Slam Shut Doors

If it's a slam shut door needed, you can replace lever handles for an escutcheon pull and door knob, all matching in either our Forged Black or Pewter finishes. Whatever style or locking mechanism you're using, this range of furniture will provide a consistent look throughout the property.

Hardware options

- 1 x Cylinder Pull & Escutcheon
- 1 x Door Knob
- 1 x Letterplate
- 1 x Door Knocker

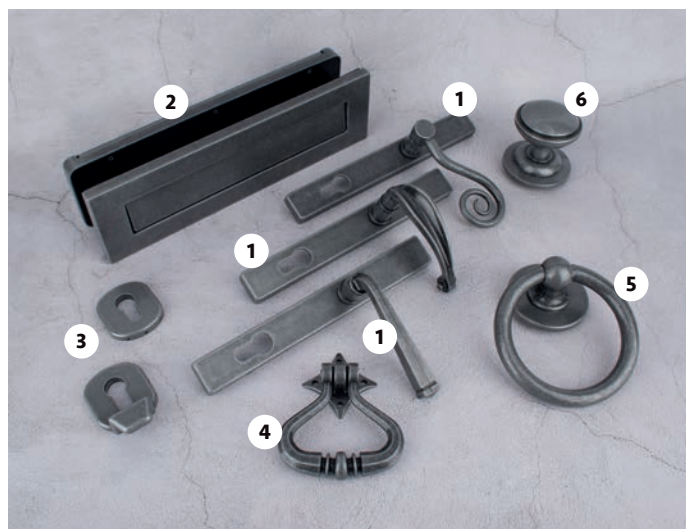

Colour Options

Perfectly suited door furniture in 2 colour options.

Forged Black

Pewter

Product Details
