

Devoran Monkey Tail Handle

Technical Information

Corrosion resistance

Meets the requirements of BS EN 1670:2007 Grade 5 (480hrs)

Operation

Endurance tested in excess of 200,000 cycles

Performance

Tested to meet the requirements of PAS 24 as part of a compliant door set.

Material Specification

Handle Grip and Backplate:

High quality Zinc for all finishes.

Coatings:

Forged Black and Hardex Pewter

Spindle / Screws:

Machine screws with colour coordinated heads for handle.
44mm - 48mm profiles (1 x 8mm x 90mm spindle;
2 x 60mm M5 screws)

Cylinder:

Euro Cylinder, 92mm PZ

Maintenance

For continued protection of the quality finish and appearance, we advise routine cleaning of all our external hardware. Moving parts should also be lightly lubricated at least twice a year. This procedure is particularly essential if products are used within a 25-mile radius of coastal areas or close proximity to building sites or large industrial areas, where more frequent cleaning may be required to prevent the accumulation of corrosive contaminants.
